MDW Digital Physician Scales

Designed for easy operation, Adam Equipment's MDW digital scales meet the needs of medical professionals and health practitioners worldwide. MDW digital scales feature an adjustable height rod to provide simultaneous height and weight readings, and some models also provide body mass index (BMI) measurements. All MDW digital scales feature a built-in battery and easy-to-use, color-coded keypad. To ensure stability and patient security, MDW digital scales feature rugged construction with a sturdy metal base and a non-slip weighing platform.

Affordable, easy-to-operate scale measures height and weight

Features

- BMI (body mass index) function available on the MDW 300L
- The MDW 300L offers RS-232 interface for fast communication with printers and computers
- Hold function retains the weight on the display
- Includes AC adapter and rechargable battery
- Height measurements from 60cm to 212cm
- Integrated wheels permit easy movement (not available on MDW 250L)
- Anti-slip platform ensures safety when stepping on and off the scale
- Height rod facilitates measuring children and adults while weighing
- Metal construction for base and pillar

Applications

- Weighing
- BMI (body mass index) indicator
- Height Measurement
